

I don't see what right NAB has in telling paying customers what they can and can't listen to on XM radio. The last time I checked this was still a free country. I thoroughly enjoy my XM radio and I don't believe the government has any right to dictate what I listen to if I choose to pay for a service such as XM. Please do not pass the NAB's petition 04-160, as this infringes on the rights of paying customers.
